Dear Harold:

This is just a quick note to express my thanks for sending the copies of the F.B.I. documents concerning my suit. I do appreciate you thinking of me in this way.

There have been no new developments at this end. At the present I am waiting to see what the outcome of the Committee in Washington will be and I rather doubt that anything earth shattering will be announced. I trust that there has been some improvement in your health as I recall you were suffering with the " Tricky Dick " ailment.

Sincerely,

Emory
